

Hospital Parking Management to Provide Valet Parking and Shuttle Services for All Children's Hospital

Hospital Parking Management to provide valet parking, garage management, and shuttle services for All Children's Hospital

St. Petersburg, FL – December, 2009 – Hospital Parking Management a subsidiary of Seven One Seven Parking Enterprises, a leading provider of parking management, valet parking services, and transportation services, has announced an agreement with All Children's Hospital in Saint Petersburg Florida to provide the hospital's patients, visitors, and employees valet parking, shuttle services, and garage attendants. All Children's Hospital will now be able to offer their patients and visitors first class valet parking, and shuttle services.

The valet parking drop off and pick up location will be located at the main entrance of the hospital. The shuttle service will interconnect the hospital's campus with five stops for loading and unloading of passengers. Garages being managed will include the North, East, and west garages.

"When we begin work with a new medical facility our entire executive team gets involved to ensure a proper implementation, and with All Children's Hospital we are even more excited than normal," remarked Jason Accardi, President, Hospital Parking Management. "With the beginning of full time operations at All Children's Hospital we are building on the part time special event valet parking we previously provided the hospital. All Children's Hospital has been a fantastic partner from the first meetings all the way through to implementation."

About Hospital Parking Management

Since 1998, Hospital Parking Management (*HPM*) has been dedicated to providing the highest quality customer service and performance in the healthcare industry, striving to create a five-star hotel-like experience at each facility we serve. *HPM* customizes parking and transportation management solutions to meet the specific needs and requirements of medical facilities across the nation.
