

Hospital Parking Management enters into new partnership with Boone Hospital Center

Hospital Parking Management to provide valet parking services for Boone Hospital Center

Columbia, MO – November 4, 2009 – Hospital Parking Management a subsidiary of Seven One Seven Parking Enterprises, a leading provider of parking management, valet parking services, and transportation services, has announced an agreement with Boone Hospital Center to provide the hospital's patients and visitors complimentary valet parking. Boone Hospital Center will now be able to offer their patients and visitors a first class complimentary valet parking experience.

The valet parking drop off and pick up location will be located at the main entrance of the hospital, and can be accessed through the three entrances.

"At Boone Hospital Center, patient care begins at the front door," said Dan Rothery, Boone Hospital Center President. "Hospital visits can be stressful times. Providing the convenience of valet service is one more way for us to alleviate stress and better care for our patients and their families."

"When we begin work with a new medical facility our entire executive team gets involved to ensure a proper implementation, and with Boone Hospital Center we are even more excited than normal," remarked Jim Andre, National Sales Manager, Hospital Parking Management. "With the beginning of operations in Columbia Missouri we are finally entering a market that we have been anxious to begin work in. Boone Hospital Center has been a fantastic partner from the first meetings all the way through to implementation."
